

# Mary Skiba School of Dance

## SEPTEMBER NEWSLETTER

---

### Fall Classes Begin Thursday, September 10!

**New:** We are pleased to announce that we have expanded Studio D and now have an additional lobby area for our dancers and parents to view classes, relax, do homework and have a healthy snack in between classes. We have expanded the dance area of studio D and an additional lobby is now located in the former nail salon. The new lobby has an additional dressing room for our dancers, an additional restroom, and an eating and homework area.

**ENTRANCES:** With the expansion it will no longer be necessary for the dancers in studio D to use a different entrance! Dancers taking classes in studio D can now enter through the main studio doors or use the additional entrance that was the former nail salon. The door to studio D will no longer be used. We are confident that this new design will keep our dancers safer as they will no longer have to go outside to enter studio D.

**Parking:** During the busy time of 4:30-6:30 we remind the parents that additional parking is available behind the building and that an additional entrance is located by the dressing room in the main studio area. We ask that the dancers that drive utilize this area and enter the new lobby through our back doors labeled "Mary Skiba".

**Restrooms:** Due to the expansion and addition of the new lobby, parents and siblings are asked to use the restroom located in the new lobby instead of the restroom located in the teacher's office area. We also have a restroom in each of the 4 dance rooms for our dancers.

- 
- We remind all dancers that dance bags must be kept on the shelves in the studios or in the dressing rooms. All coats are to be hung in the dressing rooms provided.
  - We remind all parents that siblings are to be supervised at all times. Food is to be eaten only in the lobby by studio D.
  - We ask for your cooperation in cleaning up any messes!

**Incident Weather:** The studio will close for DAYTIME CLASSES in accordance with Chippewa Valley Schools. For information on evening classes we ask that you call the studio voice mail or check our website: [www.maryskibadance.com](http://www.maryskibadance.com)

**Costume and Recital Information:** We will mail home the information for the recitals in May and the deposit forms for all costumes at the end of October. If you have a student making their First Communion or have another conflict during the first two weekends of May, please let our receptionist know immediately.

**Classes:** The teachers will be watching the students very closely the first few weeks of classes and if we feel that any student needs to be moved to a different class we will contact you.

If you have any questions please email me at: [mssddance@aol.com](mailto:mssddance@aol.com)
